About JK Lakshmipat University

Founded in 2011 by the 140-year-old JK Organisation (JKO), JK Lakshmipat University (JKLU) continues JKO's legacy of excellence and commitment to nation-building. Accredited with an 'A' grade by NAAC, JKLU is at the forefront of innovation, blending academia with industry through its interdisciplinary programmes in engineering, management, and design that prepare students to excel in an ever-evolving workspace.

JKLU's faculty includes accomplished scholars from globally renowned institutions such as the IIMs, IITs, NIDs, and other top universities worldwide. The university's curriculum focuses on interdisciplinary learning, hands-on projects, and practical problem-solving, providing students with the flexibility and choice of tools they need to address complex challenges and drive a meaningful change.

The university's strong industry connections, real-world projects, and immersive internships form a core part of the JKLU experience, bridging the gap between academic knowledge and practical application. Through strategic partnerships and exchange opportunities with leading institutions in India and abroad, students gain a global perspective that enriches their education and broadens their horizons.

At JKLU, students also benefit from access to cutting-edge centres such as the Centre for Critical Thinking and Communication, the Atal Incubation Centre, and the AIMA BizLab. These platforms foster innovation, entrepreneurship, and critical inquiry, encouraging students to explore new ideas and develop a problem-solving mindset.

With state-of-the-art facilities, a vibrant campus community, and a culture that nurtures talent, JKLU empowers students to become leaders, innovators, and changemakers, poised to make a positive impact on society.

Legacy of Excellence & Nation Building

For nearly 140 years, the JK Organisation (JKO) has been a cornerstone of nation-building in India. With successful enterprises across various sectors, JKO has made significant contributions not just to the Indian economy but also to broader societal progress.

Established in 2011, JK Lakshmipat University (JKLU) carries forward JKO's legacy of excellence and commitment to nation-building.

JK Group

By integrating this rich heritage with its progressive educational practices, the university prepares future leaders dedicated to societal advancement.

The organisation's philanthropic spirit was shaped by its visionary leader, Late Lala Lakshmipat Singhania (1910–1976), who was driven to create India's intellectual capital, particularly in education and healthcare. His son, Late Shri Hari Shankar Singhania (1933–2013) continued this legacy of inspiration as President (Chairman) of JK Organisation and Chancellor of JKLU.

Today, the founders' vision and mission remain the cornerstone of the university's ethos, reinforcing its role in shaping the nation's future.

From the Chancellor's Desk

“We, as an industrial conglomerate, have been steadfastly committed to education and meritocracy in the country for more than 140 years. In the world of JK Lakshmipat University, your passion and talents are not only nurtured but also encouraged to blossom. It's a realm where you can cultivate lifelong relationships with mentors and peers who will guide and support you at every step.

At JKL, we view higher education not merely as a means to a degree but as a journey of personal and professional growth. We challenge our students to explore new ideas and perspectives, think critically and creatively, and embrace innovation and entrepreneurship.

Constantly striving to improve and innovate, we push the boundaries of what is possible and create new opportunities for our students to succeed. Investing in cutting-edge research and technology, forging partnerships with industry leaders, and expanding our programmes to meet the evolving needs of today's workforce are integral to our commitment.

”

About Institute of Management (IM)

The Institute of Management at JK Lakshmipat University is dedicated to shaping future business leaders through a dynamic and contemporary curriculum. The institute offers a dynamic and engaging curriculum that emphasises contemporary specialisations, such as Entrepreneurship, Banking, Financial Services and Insurance (BFSI), Business Analytics and Marketing. With a strong focus on project-based learning and essential 21st-century skills such as artificial intelligence, machine learning, critical thinking and problem-solving, the Institute nurtures students to excel in diverse professional arenas.

The academic framework integrates core business functions with vital skills essential for success in various sectors, including established organisations, innovative startups, and/or further academic pursuits. State-of-the-art facilities like the AIMA BizLab for business simulations and the Atal Incubation Centre for nurturing entrepreneurial ventures provide a robust foundation for experiential learning and innovation. Supported by distinguished faculty with qualifications from top Indian and global business schools, the Institute of Management at JKL University is a premier destination for cultivating visionary business leaders.

IM Highlights

Exceptional Faculty-Student Ratio

With a faculty-student ratio of 1:15, among the best in the region, we ensure close mentorships and personalised academic advising. This structure is foundational for cultivating leadership qualities and innovative thinking.

Robust Entrepreneurial Support

The Atal Incubation Centre acts as a catalyst for turning innovative ideas into viable businesses, offering end-to-end support from ideation to funding. This integration of academic rigour with real-world applications empowers students to launch successful ventures.

Integrated Industry Collaboration

We are uniquely positioned with specialised programmes such as Fintech and the exclusive AIMA BizLab, fostering deep industry ties. These partnerships provide students with practical experiences and insights into the latest market dynamics and challenges.

Flexible and Multidisciplinary Curriculum

Our curriculum's flexibility, enhanced by a Choice-Based Credit System, allows students to customise their educational journey. Options to engage in cutting-edge electives like Design Thinking and Cyber Security, alongside a three-year exit option, cater to diverse career aspirations and educational goals.

Advanced Technology and Practical Application

We integrate tools like Blockchain, AI, Big Data, and Machine Learning with practical learning methodologies involving Advanced Excel, Power BI, and Tableau. This approach ensures that students are well-versed in applying contemporary technologies in complex business contexts.

Ethical Leadership and Sustainable Practices

Ethical decision-making and sustainability are woven into the fabric of our business curriculum, preparing students to lead with integrity and address global challenges innovatively and responsibly.

Distinguished Faculty and Mentorship

Our faculty includes renowned academicians and experienced industry professionals who provide a rigorous academic foundation enriched with practical insights, preparing students to thrive in competitive business environments.

Director's Message

“

At the outset, I extend a very warm and enthusiastic welcome to you. I deem it a privilege to introduce you to the Institute of Management (IM), JKLU. At IM-JKLU, we are committed to providing a high-quality business education to our students that equips them with the knowledge, skills and attitude necessary to thrive in an ever-changing world.

The Institute of Management (IM) offers various undergraduate programmes in management discipline, such as BBA (3-Year Full Time), BBA-Hons. (4-Year Full time) and BBA (Fintech) (3-year Full Time). The curricula of all our BBA programmes are highly distinctive and have been meticulously designed to meet the current as well as future industry needs. Besides core courses in the management discipline, the programme structure provides ample opportunities for students to choose their own electives / concentrations and specialise in their chosen fields of interest, such as Entrepreneurship; Banking, Financial Services and Insurance (BFSI); Financial Technologies (Fintech); Business Analytics & Marketing. The teaching pedagogy employed by our team of highly qualified and experienced faculty members makes learning highly engaging and impactful.

The faculty members at the Institute are always available to mentor their students and help them in realising their dreams. For them, growth and well-being of their students are of utmost importance. Our teaching-learning process with heavy emphasis on self-development, and above all a personal touch in all our dealings, certainly goes a long way in ensuring the success of our students.

I look forward to welcoming you to the Institute in the days to come.

Experiential and Tech-driven Learning

Learn by doing. Apply classroom concepts to real-world challenges.

Academic Programmes

BBA (3 Years) and BBA-Hons. (4 Years)

The Bachelor of Business Administration programmes (BBA/BBA-Hons.) at Institute of Management, JKLU are comprehensive undergraduate offerings designed to develop future-ready business professionals with global perspectives. These programmes combine foundational business knowledge with practical skills, real-world case studies and simulations that help the students to drive towards academic excellence and holistic development. The multidisciplinary approach equips students with the adaptability and foresight needed to navigate an increasingly complex business environment.

Specialisations

Entrepreneurship

Focused on the lifecycle of business ventures, this specialisation covers innovative business modelling, resource management, and sustainability practices for creating a new venture. Graduates are equipped for roles such as business developers, strategic planners, and innovation managers.

BFSI (Banking, Financial Services, and Insurance)

Students will gain expertise in banking operations, insurance management, financial modelling, risk management, fintech and regulatory framework. Career paths include financial analysts, credit analysts, portfolio managers, financial risk managers and insurance advisors.

Business Analytics

Designed to equip students with skills to manage and analyse complex data sets for informed decision-making. The curriculum includes advanced statistics, analytical tools, predictive modelling, and machine learning, leading to careers such as business analyst, data scientist, and management consultant.

Marketing

This specialisation explores both digital and traditional marketing strategies, consumer behaviour, and global market dynamics. Students develop skills in campaign design, data analytics, and strategic marketing, preparing them for careers in brand management, digital marketing, and market analysis.

BBA Fintech (3 Years)

The specialised 3-year BBA Fintech programme equips students to lead innovations in the financial technology sector. This programme integrates core business management principles with specialised knowledge of fintech innovations such as blockchain, digital payments, analytical tools, financial modelling, artificial intelligence and machine learning in financial services. The programme ensures graduates are prepared for the evolving demands of the global financial ecosystem.

The curriculum combines theoretical insights with hands-on learning through industry collaborations, case studies, and internships, ensuring graduates are future-ready. The BBA Fintech programme equips students to excel in roles like fintech analysts, digital banking specialists, and innovation consultants, empowering them to lead in a dynamic, technology-driven financial landscape.

AIMA BizLab

JKLU hosts AIMA BizLab, a virtual lab designed to offer students hands-on-experience on management concepts. As a result, students at JKLU can utilise the AIMA BizLab software for simulating diverse management strategies. Such a simulation exercise exposes students to real economic, environmental and business issues related to finance, operations, marketing and other business functions. It empowers them to develop strategy, execute tactics and analyse competitors as they go through the pains and gains of running a company in a hypothetical environment and see the impact of their decisions on business.

Just like the laboratories for other education fields, the AIMA BizLab software allows students to “experiment” with various management strategies and tactics on a given scenario. Specifically designed while keeping in mind the learning habits of the new generation of students, the AIMA BizLab provides experiential learning experience to them.

By offering a realistic and dynamic learning environment, AIMA BizLab allows students to gain practical insights into the business world. It also helps in honing their analytical and strategic thinking skills, preparing them to tackle real-world business challenges effectively.

Campus Life

At JK Lakshmipat University, campus life thrives as a vibrant tapestry of experiences, where every corner pulsates with energy and opportunity. Here, students immerse themselves in a dynamic community, enriched by a kaleidoscope of activities tailored to their passions and interests. From spirited academic debates to collaborative projects, cultural festivals, and sports competitions, our campus buzzes with excitement and creativity. It's a place where friendships are forged, ideas are exchanged, and personal growth flourishes. With state-of-the-art facilities, lively student clubs, and a supportive network of faculty and staff, JKLU's campus offers an environment where students can explore, discover, and thrive.
